MESSAGE FROM THE PRESIDENT

We've got a busy September planned!!

- *September 14th Monthly Meeting
- *September 16th-20th Retreat
- *September 22nd Social Outdoors (September 29th rain-date)
- *September 26th Virtual Charity Challenge Sew-In

So be sure that your sewing machines are dusted, oiled and tuned up ready to go! Fall is upon us and more fun is ahead with cooler temperatures, hopefully!

If you don't seem to have any sewing projects to inspire you, this month's program on the Disappearing 9-Patch is a great one for beginners and seasoned quilters alike! It's a great pattern to use up your stash for the Charity Challenge too!

Please call each other to share a ride (with masks on) to the Outdoor Social Gathering. Especially call people we haven't seen on-line so they will join us.

Thanks to Kelly Zuber for moderating the Zoom discussion on Applique. Thanks to Jennifer Adams for completing the huge task of the Membership Directory, it's awesome! Thanks to members sharing videos and tips on Face Book. Thanks to Judy Coffman for starting a Free Motion Quilting Blog on our Facebook page. Continued thanks to Jill Moody for an awesome job on the Newsletter and ITSA Thursday email. And thanks to board & committee members who are doing lots of behind-the-scenes work to keep our guild moving forward! Together we rise.....

JOY-fully,

Bonnie Scott

FREE-MOTION QUILT- ALONG

Have you seen the videos on the Star Quilters Guild Facebook page on Free Motion Quilting? I'm documenting my journey learning to FMQ starting with tools needed to begin and then making the first stitch. Members already experienced in FMQ are offering tips and suggestions to help us along. In the weeks ahead I'll present a "FMQ Along" using a Rag Quilt Pattern, with simple quilt designs demonstrated every week or so. At the end, the quilted blocks can be stitched together to finish them into a lovely lightweight throw. Stay tuned!

"Scrappy 20 with a Twist in 2021" Guild Challenge

Challenge: Choose 10 fabrics of one type and 10 fabrics of another type, plus a background fabric of your choice, to make a quilt. Examples might be 10 darks + 10 lights, 10 reds + 10 blues, 10 stripes + 10 polka dots, 10 Christmas + 10 solids, 10 blacks + 10 whites, 10 fabrics bought years ago + 10 recent fabrics. The combinations are limited only by your imagination! After you reach the goal of 10 different fabrics of one type, you may use duplicates. Members are encouraged to trade scraps with each other if you need more variety.

Design Twist: Get out of your rut and try something new! **GO BOLD!!!** Try a different approach like a new style, colorway, or technique. Example: if you are a traditional quilter, try modern or art; if you lean to neutral colors, try vibrant; if you always piece, try applique.

Size: Any size from miniature to king

Construction: 3-layer quilt sandwich with binding and label

Due: April 2021 SQG meeting (month the 2021 Quilt Show would have been held)

It will not be judged but may be entered in an appropriate category in the 2023 Quilt Show with the addition of a hanging sleeve.

For the curious Star Quilter:

With plans for our Guild's 40th anniversary in the works, of course we are planning a raffle quilt! Here are some hints to what is to come:

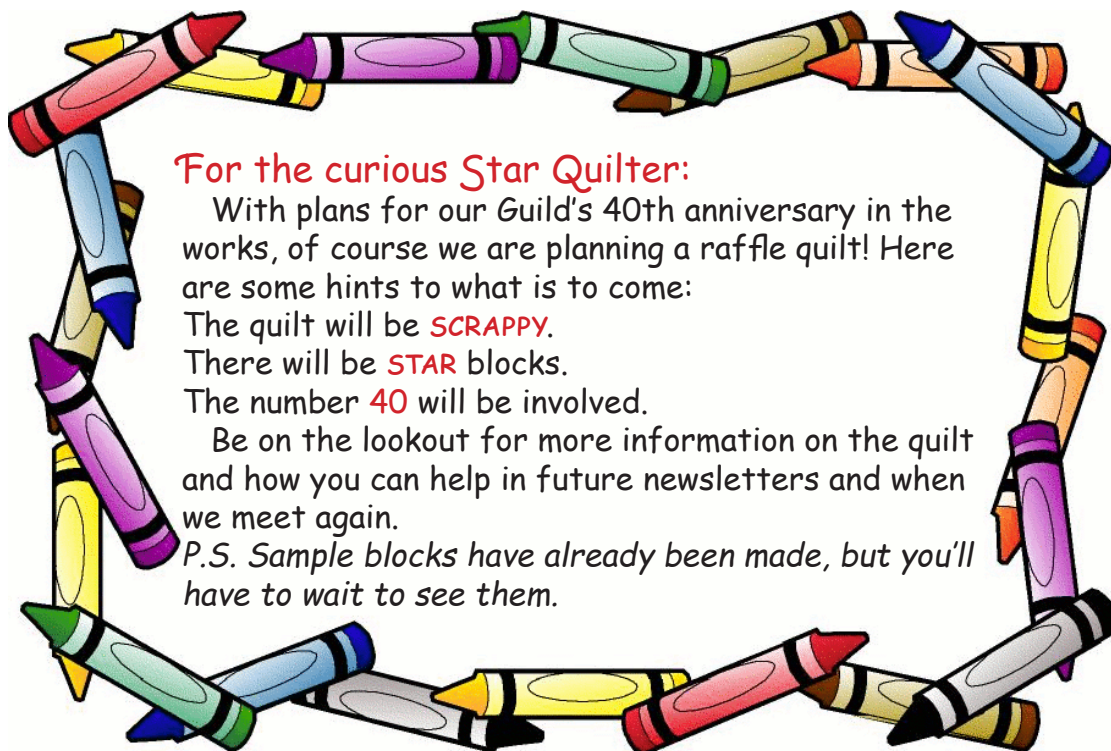

The quilt will be **SCRAPPY**.

There will be **STAR** blocks.

The number **40** will be involved.

Be on the lookout for more information on the quilt and how you can help in future newsletters and when we meet again.

P.S. Sample blocks have already been made, but you'll have to wait to see them.

Join us for our next Quilt Evaluation Day!

We are excited to welcome Pam Pampe back to the museum for our next Quilt Evaluation Day on November 14, 2020, from 9:00 am - 4:00 pm. The evaluations are by appointment only and last about 20 minutes. We allow one quilt per appointment and if you have more than one quilt that you would like evaluated then you can schedule multiple appointments. During the appointment, our evaluator will tell you about all about the history of the quilt, when it was made, what kind of fabric was used, etc. Since we are a nonprofit, she cannot tell you the value of the quilt. The appointments cost \$20 per quilt and nonmembers must pay admission. Email vqm.events@gmail.com to make an appointment!

<http://bytheyardcomics.com/>

Our baby boy just returned to college this past month. So many emotions indeed! Can I use his room to house the long-/mid-/small?- arm quilter I don't own yet? Surely, I can easily move it somewhere else when he is home on break, right? Or, would his room be just the right spot for my walk-in fabric closet? I mean, Wow! I would become more organized and efficient and would cut down on those many hours lost dumpster diving in my many tubs of fabric. So much to ponder! I would keep his bed in there all clean and ready, so it's not like I'm taking his room away from him or anything. At least it would not be like what my mom did when I left for college! She sold our house and moved herself and my younger sister into a two bedroom condo at the beach. I spent my college breaks sleeping on a daybed in my mom's huge master bedroom! Ugh!!!!
